• Project: Coding a consent form using HTML/CSS/JavaScript

ACTIVITIES & CLUBS

04/2017 – Current **Marketing and Public Relations Chair**

01/2016 – 03/2016 **Student Volunteer Teacher**
CS4K (Computer Science 4 Kids) – Davis, CA || website: cs4k.org
• Computer Science for Kids, CS4K, is a group of students at UC Davis who volunteer every week at various elementary schools in the Woodland/Davis area, teaching them the concepts of coding and sometimes actual code syntax.
• As a chair member, I manage the club's social media accounts, create and send out email newsletters, create content to market the club to students, and document each quarter of volunteering through photos and a video.
• As a volunteer, I taught the students through Scratch (by MIT), Code Combat, and self-made material.

02/2017 – Current **Secretary**
UC Davis Photography Club – Davis, CA
• Coordinates, with other club leaders, weekly events for students to learn more about photography

02/2017 – 06/2017 **Marketing Team Member**
Include-Davis – Davis, CA || website: includedavis.club
• #include organization creates websites and applications for non-profit organizations
• Helps with development and promotion of the organization as well as internal club organization

01/2012 – 06/2014 **Editor-In-Chief**
Chinese Christian High School Yearbook Team – Alameda, CA
• Editor-in-chief of yearbook team for two years, member for three years.
• Oversaw production of yearbook, including brainstorming ideas, designing, photography, fundraising.
• Photography, page layout designing, organization, time management, and teamwork experience
